Ram, I read your comment asking me to add "Mahabharata" in Malayalam. As you may be aware, Mahabharata has nearly 10000 slokas. Though the Sanskrit text of Mahabharata is available online and it could be converted to Malayalam fairly easily, proof reading all the one lakh slokas will be too much work unless there is a very large team of workers to do that. Surprised to see no books of C Radhakrishan are there. Added 2 of my favourites from him. Also, added couple of other books like 'Parinamam','Oru Vazhiyum Kure Nizhalukalum' etc2. Can we delete all the translated books? Like the ones from Paulo Coelho? If needed, a separate list can be created for 'must-read' translated books in malayalam.
